

McKinsey
& Company

You're invited!

Upcoming recruiting events hosted
by McKinsey & Co.

The Harvard Recruiting team at McKinsey is excited to invite you to a series of virtual sessions in April. This series will shed light on who we are and what we do no matter where you are on your path of discovering if consulting is the right path for you. We hope you'll join us for the sessions that pique your interest – you're welcome to join as many of these sessions as you'd like in preparation for our 2022 recruiting season.

All of these events in addition to our application deadlines and new events as they are added can also be found on our [Harvard Recruiting Page](#) so I encourage you to keep that page bookmarked so you can stay up to date with what's going on!

Connect with McKinsey – interest form!

Please **start by filling out this [quick interest form](#)**, to share your updated information (resume, location/practice/role interests, etc.) so we can continue to stay in touch and provide you with event options and recruiting opportunities that are best tailored to your background and interests. _

We welcome you to RSVP for any combination of the below events and we'll send additional details and Zoom links as the sessions approach.

We hope to “see” you there!

McKinsey Insights

We invest more than \$600 million of our firm's resources annually in knowledge development, learning and capability building. We study markets, trends, and emerging best practices, in every industry and region, locally and globally. We publish our findings extensively, and we engage with leading thinkers on the most pressing issues facing our clients and society.

Join us for a series of topical group discussions hosted by our consultants who are excited to share more about their work on issues that matter most and answer your questions about any of the below topics!
