Citi maintains one of the largest global financial infrastructures and facilitates $4 trillion of flows daily.

What progress will you make?

Citi Information and Networking Session

CONSIDERING A CAREER IN FINANCE?

Please join Citi’s Investment Banking division for an information session to learn more about the industry and get advice on the recruiting process. This is a great opportunity for Freshmen and Sophomores seeking finance internships. We hope this will be an interactive discussion that will help you evaluate finance as a career and assist in your preparation for the recruiting season.

Date:  
March 11, 2020
